

## ENVIRONMENTAL POLICY STATEMENT

The need for environmental protection forms an integral part of Nutrafood's business philosophy. The fact that our activities, or those of our employees, may have an effect on the environment is of great consequence to us.

- We meet or exceed all the environmental legislation that relates to the Company;
- We promote environmental awareness among staff, members and customers;
- We work with suppliers to apply environmental standards;
- We practice the preferential purchase of local food to organic standards or similar;
- We choose suppliers whose ingredients, products or packaging does not contain genetically modified organisms (GMO);
- We ensure that all employees are in a position to improve environmental performance by providing appropriate information, training and consultation procedures.

We therefore endeavour to operate in harmony with the environment, with particular emphasis on the following areas:

### **Sourcing Materials:**

To utilize raw materials and processes which make minimum demands on the environment and which produce minimum waste.

### **Production:**

To try to be every day more energy efficiently and produce minimal harmful waste when disposed of.

### **Waste & Recycling:**

Minimizing environmental impact in all activities, including recycling and purchasing recycled, recyclable or re-furnished products and materials where these alternatives are available, economical and suitable.

### **Energy and Emission**

To reduce the demand on energy resources from our activities. Minimize toxic emissions through the selection and use of its fleet and the source of its power requirement.

### **Transport & Distribution:**

To utilize, where applicable, efficient distribution and transport systems for goods and personnel.

### **Consumers:**

To provide all the information necessary to enable products to be properly used, stored and disposed of so as to avoid damage to the environment.

Our policies can be reviewed at any time through the management committee by comments or queries raised by members, clients or customers.
